TO THE ARTISTS / MURALISTS

Ocean View is rapidly changing, just drive down Ocean View Avenue and you can witness condominiums, apartments, new construction homes, and commercial buildings popping up all over! Norfolk as a whole is spear-heading the Hampton Roads Metro area into the future and the beachfront communities of Ocean View will not fade into mediocrity! We are fully committed to the Ocean View motto "Old Salt, New Vibe" and are seeking to take this *renaissance* to the next level!

With all the excitement and pride for our city, we are seeking to have a mural commissioned on the side of our business. The location has great visibility and anyone driving by will have an unobstructed view of the piece. There is public beach access directly across the street and we want to embrace aquatic vibes and celebrate the local culture.

Requirements and where/how to submit your pitch

The mural must focus on a mermaid: racially ambiguous, in her early 20's looking, & G-rated, in a euphoric underwater scene. We would also like an implied sense of Real Estate in a creative and not-obvious fashion.

To submit: email (seaglass757@gmail.com) 5-10 pieces of your own work as well as any thoughts or ideas regarding the mural, a preliminary sketch at this point isn't required but it could certainly help you stand out.

Deadline to submit is (June 5, 2020) and a selection will be announced (June 12, 2020). We aim to have the mural completed as quickly and efficiently as possible without compromising quality.

We are planning to award $3,000.00 and can assist with scaffolding and preparing the wall for application if needed.

Thank you all so much and we can't wait to hear from you and get this going!!
