Vision

Norfolk is the hub, incubator, and shining beacon of the arts and culture for Hampton Roads and the Commonwealth.

Mission

The Norfolk Arts Commission brings people together through arts and culture, provides individuals and the community opportunities to engage in rich, diverse arts and cultural experiences, and creates and nurtures an environment of artistic creation and expression.

Since 1978 the Norfolk Arts Commission has worked to create a dynamic and lively cultural community. The Commission is made up of volunteer members appointed by the City Council. Grant-supported programs reach into every neighborhood and give all citizens the opportunity to enjoy the finest arts Norfolk has to offer.

The Norfolk Arts Commission provides support and encouragement to arts, culture, and humanities in the City. It develops policies and procedures necessary to carry out arts and culture programs. The Commission is responsible for establishing evaluation criteria for funding grant applications, artist selection, and carrying out review processes. The Commission reviews all grant submissions and evaluates for completeness, value, and equity.

Applicants are encouraged to call or email with any questions. First-time applicants are **required** to either attend a grant-assistance workshop or to meet with the arts manager at least three weeks before the deadline. For the FY 2024 grants, focus will include the following areas within existing guidelines:

- Realistic Budgeting and Programming – based on economic outlook
- Audience – numbers served, taking into account type of program

GRANT CATEGORIES (Organizations may only apply for one grant, no matter what category)

OPERATING GRANTS are for **general operating support** and are available to arts and humanities organizations or associates based in Hampton Roads and serving the citizens of Norfolk. The Commission’s grants are based on a percentage of the actual revenue of an organization for either FY 2022, or FY 2021, whichever is higher. Mid-level organizations may request up to 7.5% of their revenue, small organizations may request up to 10%.

Revenue includes operating revenue, not revenue restricted to capital or endowment campaigns. The Commission may choose to designate support for a particular project.

PROJECT GRANTS are for support of specific projects and are available to organizations **of any size** not otherwise funded by the City of Norfolk, or applying for a general operating support grant. The Commission will only consider a single project grant application for a project, including collaborations. No single project may receive more than 50 percent of the total project cash and certain in-kind costs. Applicants for Project Grants must complete organizational financial information as well as Project Grant information, except for colleges, universities, and other large organizations, who should include figures only for the proposed project.

EVALUATION CRITERIA All grant applications will be evaluated according to the following criteria:

QUALITY OF PROGRAMS

- demonstrate artistic excellence as well as artistic merit of proposed activities

EFFECTIVE MANAGEMENT

- quality and thoroughness of planning and implementation of programs
- organization’s capability to administer budget and proposed programs

- evidence of sound fiscal stewardship
- appropriate relationship between proposed budget and programs

EVALUATION PLAN

- evidence of effective, appropriate, objective evaluation
- evidence of improvements based on evaluation

PUBLIC COMMITMENT

- degree and depth of public participation (Board, volunteers, participants, audience)
- level of local private support
- community participation (partnerships)
- strength of outreach and lifelong learning programs, especially those for underserved populations

SPECIAL CONSIDERATION WILL BE GIVEN TO PROJECTS AND ORGANIZATIONS that respond to the arts and cultural needs of Norfolk’s ethnic and distinct communities, and underserved populations (which include minorities and traditionally under-represented populations) and that equitably promotes the development of arts and culture based in those communities.

<i>OTHER CONSIDERATIONS</i>

- If your organization pays admission taxes to the City of Norfolk, these taxes must be paid through December 2022 for the application to be considered. You do not need to attach proof of payment; we will contact the office of the Commissioner of the Revenue to check payment status.
- Support for an organization/project does not imply future Commission support. Application must be made each year and is considered in relation to all other applications submitted. All grants are subject to funds available as approved by City Council.
- The Commission does not support projects and organizations receiving other funding from the City of Norfolk. Organizations can apply for funding from the City through more than one source but can only receive funding from one source.
- Organizations are expected to make strong efforts to seek alternative funding as well as making an application.
- Applicants are expected to charge a reasonable fee when appropriate, rather than offer free events.
- Grant applicants are expected to have an appropriate children’s education or lifelong learning program in Norfolk.
- Grantees must utilize grant funds entirely for projects carried out within the City of Norfolk or online, unless otherwise arranged with concurrence of the Commission.

<i>FINANCIAL INFORMATION</i>

- All applicants must complete the financial information. Forms can be downloaded at [[eCivis grant site](#)] or received by email by request.
- You may upload attachments that show other sources of income or types of expenses.
- No single project may receive more than 50 percent of the total project costs, **including** certain in-kind contributions: facility rental, outside artists and presenters' honoraria, supplies including refreshments.
- Put donated or in-kind services, materials, facilities at the end of the financial form.
- Please track volunteer hours and include them in the in-kind section. Remember to include board and committee meetings, auxiliary and "friends of" groups, etc. Do not put the number of hours. Put the value (**\$29.14/hour**). For project grants, separate outside artists, presenters, consultants, etc. from board members, regular volunteers etc.
- If your organization is on a calendar year, please use numbers for calendar 2021 in columns referring to "2021-2022," calendar 2022 in columns referring to "2022-2023" and budget calendar year 2023 in columns referring to "2023-2024."
- Do not include income legally restricted for acquisitions or capital expenditures. These budget sheets are not intended to match your overall financial statements.
- Do not include depreciation.
- Colleges, universities, and other large organizations should include figures only for the proposed project.
- Grantees are required to provide six months' prior notice of any proposed capital or special project campaign.
- Late revised budgets and late final reports will reflect poorly on the organization's management.
